PRESS RELEASE

**UNFOUNDED AND FALSE CLAIMS OF WORK STOPPAGE BY ELECTION CAMPAIGNERS
FRESHWATER STADIUM PROJECT**

The VFF Office wishes to inform that there are alleged claims made by certain individuals during the current Election campaign that Freshwater Stadium Works has stopped. VFF wishes to inform the General Public that any claims made in regards to works in the Freshwater are totally unfounded and False.

VFF further informs that the Project has been fully approved, and other phases of the project are to soon to be in place, as per the agreed project plans and documentation approval with FIFA.

This project has been made possible with the help of the Government, and dialogue with the Community, Freshwater School, as well as the office of the Opposition Leader in Parliament, and member associations of Vanuatu Football Federation.

VFF wishes to inform that it opposes for the VFF Stadium Project to be used for Political propaganda purposes or to be used to assert false claims upon any individual running candidates.
